-

Special Olympics Hamilton County invites you to come out and play golf for a good cause! You and your foursome will enjoy a round of golf on the great course at The Tournament Players Club, and perhaps even challenge one of our Special Olympics athletes at one of the holes. This event is a major fundraiser for Special Olympics Hamilton County. Your round of golf will help keep our athletes training and competing. It is a day full of fun, friends, food, drinks, and, of course, golf!

Your day starts with registration, a box lunch provided by the Club chef, and a shot-gun start at 1:00 pm. Following your round of golf, enjoy drinks, a wonderful dinner, and an awards ceremony in the clubhouse. You can also participate in a silent auction of sports memorabilia. This is a fun day for you and a great day for the athletes that will benefit from your support.

In addition to supporting a great cause, every golfer in your foursome will receive merchandise from one of our manufacturers, mobile pro-shop, which will be on site during the event.

I have enclosed the Sponsorship Levels and a registration form for your convenience. Our Special Olympics athletes are up for the challenge and we hope you are too. Please join us and keep our athletes training and competing for another year. We look forward to seeing you in September!

Sincerely,
